UNIVERSITY OF SINDH

JAMSHORO, SINDH—PAKISTAN

FACULTY OF EDUCATION, HYDERABAD.

B. Ed (Elementary 4 Year)

Course.GSOS-301	Semester-II	Credit Hours	03
Title of the Course	**Sociology**		

Course Description

This course introduces students to sociology as the systematic study of society, social relationships, and social institutions. It examines how social structures, cultures, and interactions shape individual behavior and collective life. The course covers classical and contemporary sociological theories, socialization, culture, social stratification, institutions, and major social issues at local and global levels. Emphasis is placed on developing sociological imagination and critical thinking skills.

Learning Outcomes

By the end of this course, students will be able to:

1. Understand core concepts, theories, and perspectives in sociology.
2. Analyze social behavior using sociological frameworks.
3. Explain how social institutions influence individual and group life.
4. Identify patterns of inequality and social change in society.
5. Apply sociological knowledge to real-world social issues.
6. Develop critical thinking, analytical, and research skills.
